Idquo;Stories from the World War II Battlefield Idquo; to be excellent for World War II researchBy MeteorjunkI found Jennifer Holik book, Idquo;Stories from the World War II Battlefield Idquo; to be excellent for World War II research. I especially loved the writing prompts, helping me finally to finish my book on my father in World War II. I love that her books are clear and focused, and easy to understand. Many new research techniques. I learned how to use archival resources correctly. I highly recoment Jennifer Holik ?"Stories from the World War II Battlefield" Books.Marjorie Vaughan

Jennifer Holik is an international researcher, speaker, and author of numerous books, articles, and courses. She holds a BA in History from Missouri University of Science and Technology. Jennifer offers expert World War II, genealogical, and historical research services. She provides clients with detailed and fully cited reports with documents, record analysis, and suggestions for further research. She has the rare expertise to locate, analyze, and interpret World War II records across all branches, reconstruct service history, document where a soldier was throughout service, provide details on combat experience, and when necessary, document the death and burial of a soldier. Connecting the dots and piecing together multiple puzzle pieces of a soldierr's story is Jenniferr's specialty. Jennifer can write and publish a book about your family or soldier. In addition to research and writing, Jennifer speaks in the United States and Europe at military museums, libraries, genealogy societies, Rotary groups, corporations, and other venues. Her current program topics include beginning genealogy, youth genealogy, and World War II. Jenniferr's passion is writing the stories of families, particularly men and women of World War II. She has published several books and guides on these topics. Learn more at <http://wwiirwc.com>
